

GLOBO-BANK

When globo's is the worldmoney
when 1 rupia = 1 euro
and 1 yen is the same
1 busticket, bread or hotel
the difference will be small
all around

People from India or Nepal
can travel around the world
like it was home
to visit luxembourg or sweden
and pay the same
for shoes, food or home
globo's all around

New money
new notes, new dreams
a new symbol for wishes to come true
and happyness for everyyone.
